Subject: Union Demand to Bargain the Coronavirus (COVID-19) Vaccination Mandate, Attestation & Testing Requirements
Attachments: Union DTB and Preliminary Proposals for Vaccination Mandate Attestation and Testing Negotiations - 9-14-21 signed.pdf
Importance: High

To all HUD Region VIII Bargaining Unit Employees (BUEs):

In response to the Agency's implementation of the Coronavirus (COVID-19) Vaccination Mandate, Attestation & Testing Requirements, the Union submitted the attached Demand to Bargain (DTB) to the Agency yesterday.

In brief, the Union's DTB presents proposals to the Agency on behalf of BUEs impacted by the COVID-19 Vaccination Mandate. The Union and Agency will bargain over these appropriate arrangements and the result will be a contractual supplement to our Collective Bargain Agreement with the Agency.

If you have any comments, concerns, e.g., regarding exemptions, and/or additional bargaining proposals that you would like the Union to submit to the Agency regarding this matter, please email them to the Union at president@afge3972.org
